

CONFERENCE

Gloryfire

International

May 16th – 18th, 2013

Speakers

Charles Carrin: A native Floridian and author of

The Edge of Glory. In it he writes about how the astonishing events in the Book of Acts happened to ordinary people who received the power of the Holy Spirit and became "laborers together with God." The same Power is available to you! Jesus said, "These signs will accompany those who believe...they will drive out demons; they will speak in new tongues... they will place their hands on sick people, and they will get well" (Mark 16:17-18). Such miraculous displays are called spiritual gifts - given to the Church by God. Paul said, "Pursue love and desire spiritual gifts." If you believe that God has more for you than salvation, if you long to be filled with His Holy Spirit, if you desire the gifts of the Spirit, then get ready to receive! www.charlescarrinministries.com

John & Saucy Thompson pastors of *Life*

Church in Rolla, Missouri. John, a rugged frontier personality and Saucy, a Seminole Native were touched by Jesus to take the gospel to difficult places. They have served in Oklahoma, Alaska, Germany, Israel, Lebanon, United Arab Emirates, and some other places that many are reluctant to go. What may sound as offensive to the politically correct ear or the comfortable Christian is a burning radical passion to firstly, challenge the young at heart to come to salvation and secondly, to give it away. www.moliferolla.wix.com/life-church

Steve & Sally Wilson: former missionaries

in the Kenyan desert and the UK; Steve is the Pastor and founder of *Dayspring Worship Center*, Springfield, Missouri. He is a popular conference speaker. Steve has planted churches in Africa, Europe and North America. He serves *International Christian Leadership Connections* (ICLC) as a leader in a company of Apostles formed to see the orchestration of a worldwide penetration of the Gospel. This international network is rapidly growing with over 6,000 churches in 70 nations. www.ICLCnetwork.com

he is the author of *The Jefe Factor*, a book that exposes the *Jefe* (bossy) and reveals the Leader in each of us. A former student of English Literature at the University of Houston he was on his way to become a college professor when he answered God's call upon his life by entering full-time ministry and has held leadership and pastoral positions in several churches since then.
